

2012 JUNIOR GOLF

@ Country Oaks Golf Club

Golf is a game to be played for a lifetime, so get your kids enrolled in our summer junior golf program here at Country Oaks. We teach kids the proper etiquette and technique needed to "jumpstart" them into a future of playing proper golf by teaching principles involving putting, chipping, the full swing, as well as the rules of golf. This program is both educational and fun, and we WILL ALWAYS STRESS SAFETY. Kids will be given instruction as well as play golf on the course with an instructor during each session.
